URBAN RENEWAL WAS DISCUSSED

(Continued from Page One)

also be given to the Selectmen.

Of significant importance during the session was a promise by Chairman Russell G. Doyle of the Board of Selectmen that his Board will seek the preliminary opinions of the other interested boards and committees of the town.

He asked Bernard J. Magane, the town's full-time assessor, to prepare the general comments of the assessing department, as they view the preliminary plans for the renewal project.

The Planning Board will be asked to furnish its feelings on the subject to date, regarding the planning phase, for the guidance of the Selectmen. Mr. Doyle made it plain that the Selectmen would not reach a decision of their own, without first asking for and receiving the opinions of officials who are dealing directly with phases of the program.

Taxes also played an important part in the discussion Tuesday night.

Mr. Magane explained a set of assessment figures provided by the assessors' office, which show that the entire Urban Renewal area is presently assessed at \$1,787,600. If the taxes paid on property within the area were taken away all at once, the effect on the tax rate would be 50 cents, he stated.

However, Mr. Hall was quick to point out that, contrary to the actions in some other renewal areas, whole sections will not be cleaned out here. Buildings will be left standing and in use until developers are ready, he explained. If the property has passed into the hands of the local agency rents will be collected. But in no case will great, barren areas be created, he was stressed.

The rents, according to Mr. Hall will be used to pay taxes on the existing structures - thus helping to assure the town of continuing income from parts of the project area, while other sections are being cleared.

According to Mr. Magane, taxes will be due on property that is standing as of Jan. 1 of the year. If demolition follows later in the year, and a developer purchases the property within weeks of its clearance, there should be no significant change in the income from the property. He noted that the assessment on land alone will increase, when prepared for construction, thus helping to take up the slack in tax income.

Considerable attention was also given to the Housing Authority's role in handling the project, if it is approved at the town meeting in October.

Chairman David McDonald Jr. told the Selectmen that his agency would be happy to have the comments of other town boards and committees on any phase of the program.

Town Counsel Frederic S. O'Brien noted that the Urban Renewal plan is not zoning - but restrictions imposed on the area

are far more severe than the town's zoning requirements of this time. As the plan does not constitute zoning, the Board of Appeals would have no function in the future of the area.

Town Leads State In Polio Immunization Response

Andover established one of the most outstanding records in Massachusetts for polio immunization of its children last week when more than 92 percent of the eligible youngsters sipped doses of the Sabin oral vaccine at a general clinic or in their school classrooms.

More than 2200 children out of an eligible 2400 were treated during the three day campaign directed by Mrs. Elizabeth Nadeau, R.N., Board of Health nurse, assisted by School Nurses Miss Ruth

Wescott, R. N. and Mrs. William Stewart, R.N.

The amazing success of the immunization program was attributed to cooperation on the part of parents who were alerted through a well planned program of advance information.

At the pre-schoolers clinic held Wednesday at the Central School, 1304 children were given the Type I Sabin vaccine.

Children of the public and parochial schools were treated on

Eight new teachers were named by the Andover School Committee Tuesday night at the regular meeting during which the resignations of nine present members of the system were accepted with regret.

At the meeting, preliminary discussions indicated that Andover school children will face a longer school day when sessions get underway for the fall term in September.

The board ruled that the current school year for elementary classes will end on June 19, while the high school will close on June 20. In the fall, school will begin on Thursday, September 6, a day later than usual.

District lines for the new school on Lovejoy rd. were established at the meeting, while the members agreed on the purchase of new language laboratory equipment for the Junior and High schools.

Of the nine resignations, only one indicated that the move was being made for better remuneration. Others advised that they were leaving for reasons of marriage, further study, to be closer to home, to accompany their husband to a new post or for other personal reasons.

As soon as the committee had moved to unanimously accept the resignations, the members acted with similar accord in approving eight teacher recommendations made by Supt. Edward I. Erickson. New teachers appointed and their starting salaries were:

Congregational Women Have Annual Meeting In Andover

The annual meeting of the Andover District of the Massachusetts Fellowship of Congregational Christian Women was held last Thursday at the West Parish Church. Mrs. Charles Farr presided at the morning session and Miss Marion Abbott was the organist for the opening hymn. The devotions were led by Mrs. Allyn Bradford.

Greetings were extended by Mrs. Robert F. DesRoches, and the annual reports were given by Mrs. John W. Hall Jr., clerk; Mrs. Clarence Hope, treasurer and Mrs. Robert G. Morris, auditor.

Reports of the committee chairmen were submitted by Mrs. Kenneth Whittemore, education and literature; Mrs. Louis Eklund, friendly service; Mrs. J. Thurston Powell, second mile; Mrs. Willing Dewing, social action; Mrs. John Tiffany, Walker Home; Mrs. Archie Vondal, report of the nominating committee.

Mrs. John Henry Sargent of Lowell was named president of the organization and other officers were elected.

Guest speaker for the morning session, Rev. Ernest Hayhow, discussed the subject, "Migrants—Ministries—Me", explaining the work of the Massachusetts Council of Churches, through the support of the United Church Women, with migrant farm employees, whose homes, he said, are "where the crops are ripe". The speaker stated that Massachusetts is the leading state in New England in migrant work which is concerned with ministering to the needs of

migrant farmers in fields of recreation, education, health and religious services.

Rev. Mr. Hayhow, who formerly held a pastorate in Waterbury, Conn., had an opportunity to acquaint himself with the problems of migrant workers in the tobacco fields and saw the opportunities for service to those people who move from place to place with the changing seasons.

The Women's Union of the West Parish Church served luncheon with Mrs. Clarence Remington and Mrs. C. R. Livingston in charge.

Mrs. Robina Hustus was area luncheon chairman for the Greater Lawrence district and Mrs. Karl Bernhardt for Greater Lowell.

The afternoon session was opened with Rev. Howard A. Andrews leading the devotions, followed by a roll call of the various churches. Mrs. J. Thurston Powell presented the Second Mile gift dedication and Mrs. John H. Sargent read the recommendations of the board of directors.

As a special feature, the Andover high school Arcadia Choir offered several appropriate selections.

Mrs. Wendell M. Dillon gave the offertory prayer. The offering will be divided between the work for migrants and the board of World Ministries, Veterans of the Cross.

The changing world, a changing church and the Christian woman's responsibilities in this era was discussed by the afternoon speaker, Mrs. J. Lyle McCorsion of Topsfield. In her talk, "In These Times", Mrs. McCorsion stressed the role of the Christian woman, particularly through missionary service. The wife of a minister, Mrs. McCorsion is a graduate of the University of Wisconsin and was formerly president of the Women's Fellowship of the Middle Atlantic Conference. She has served as an officer and on boards of various Congregational Christian service committees. At present she is a member of the board of directors for the World Ministries of the United Church of Christ.

In conclusion, there was a special introduction to the new president, Mrs. John Henry Sargent, followed by benediction led by Mrs. Farr.

Mrs. William DeHart, Mrs. Winslow Burleigh, Mrs. Thomas Mikula and Mrs. George Rennie served as ushers.

ENJOYED TRIP TO WASHINGTON

Priscilla Abbot Chapter, D.A.R. Has Annual Meeting

The annual meeting of Priscilla Abbot Chapter, D.A.R. was held Monday afternoon at Fieldstones, preceded by a buffet luncheon at 1 p.m. There were 24 members and two guests present. The meeting was opened by the regent, Mrs. Edwin Otto, who introduced the guests, one being Miss Agnes Eaton of Molly Varnum chapter in Lowell, retiring regent of that chapter and State Librarian-elect for the coming three years. The other guest was a prospective member.

Grace before luncheon was said by the chaplain, Mrs. Ernest C. Edmonds, and after the meal the pledge of allegiance to the Flag was repeated by the gathering, with one verse of the National Anthem being sung. The out-going President General's message was read by Mrs. Edward Thompson; the secretary's report by Mrs. Earl Thornton; and the treasurer's report by Mrs. William Trow.

A paper on National Defense was read by Mrs. Frank Hayes, in which aid to friendly nations was discussed by Senator Barry Goldwater and Senator Hubert Humphrey. The corresponding secretary, Mrs. Joseph Smethurst read letters of thanks from some of the state officers who were present at the April meeting, also from a few of the school children who went on the historical tours, and an invitation to attend the Hillside school program on June 7 at Marlboro.

Mrs. George Cobb gave a brief report as registrar and Mrs. Roland Weeks as historian, in which they mentioned the project of putting a plaque on one of Andover's historic houses during Mrs. Otto's term of office, which ends next year. Mrs. Will Brown gave a report as librarian, and the annual reports of the secretary and treasurer were next on the list. Mrs. Edwin Lewis as flag chairman reported about flags being given out; Mrs. Edmonds reported the number of inches in publicity the chapter has had during the year which makes the chapter third highest in the State. Mrs. Weeks spoke of advertising, and Mrs. Thompson read more letters from the children who went on the tours, of which she was the chairman. Mrs. A. Marshall Jones gave a verbal report on what the chapter has done for the Indians and the boxes of clothing sent to St. Mary's school for the Indians in South Dakota.

The nominating committee report was given by Mrs. Hayes, and several new members were proposed for membership. Mrs. Earl Thornton was named as recording secretary to take the place of Mrs. Harry Donovan who had to resign on account of other duties. Mrs. Thornton was later installed recording secretary by the chaplain, Mrs. Edmonds.

Delegates to the Fall Conference of the State D.A.R. in Swampscott

were chosen, they being Mrs. Earl Thornton, and Mrs. John Kenyon, with alternates Mrs. Arthur Reeves, Mrs. Joseph Smethurst, Mrs. Edward Thompson and Mrs. Arthur Bonner. Mrs. Lewis and Mrs. Kenyon will have charge of the rummage sale in the fall, with others of the Chapter helping them.

The meeting ended with a fine report by the regent, Mrs. Otto, of her attendance at the Continental Congress in Washington in April in which she spoke of the incoming President General, Mrs. Robert V. H. Duncan of Alexandria, Va., as a most gracious woman well up in the work of administration in the National organization, and extremely well liked both in her own chapter and city, and also among the many friends she has made in other chapters where her duties have taken her. Mrs. Otto had Washington papers which related the program and speakers at the Congress, which she offered to any of the members of the local chapter to read.

A vote of thanks to the committee, Mrs. Otto, Mrs. Weeks and Mrs. Lewis was expressed by all who attended.

Susan Kenney In Greek Drama

Miss Susan Kenney, 16 Johnson rd., who is studying Greek at Wellesley College, will appear in the Greek Department's production in the original language of "Alceste," by Euripides.

Performances will take place in the outdoor amphitheatre on the campus in Wellesley, the after-

noons of Thursday, May 3, and Saturday, May 5. Costumes as well as the natural setting will suggest the classical Greek theatre for which Euripides wrote some 2300 years ago.

Miss Kenney, a freshman at Wellesley, is a member of the Greek chorus, which in "Alceste," represents the 15 wise men of Athens.

She is the daughter of Mrs. Gertrude Kenney and is a graduate of Andover High School.

Andona Society Will Present 'Clown Town'

Provisional members of the Andona Society met at the home of Mrs. R. Kingman Webster to make and model clown costumes for the group's annual Clown Town to be held on Saturday, May 12 at the Playstead. This gay event is the highlight of the society's activities and the money from this affair and all Andona sponsored projects are for the benefit of the youth of Andover. An added incentive has

been instituted in the society's agenda this year. For the first time, a substantial award will be made at the high school graduation to a college bound student who fulfills the requirements established by the school scholarship committee.

In addition, Andona provides the Youth Center with qualified instructors in various athletic activities, new equipment for the enjoyment of its members, and general improvements when deemed necessary.

EDITORIAL THOUGHTS

Short-Changed Geographically

It's too early to tell, of course, but it looks as though two of the state's most ardent foes of corruption, on the Republican side of the aisle, may be geographically short-changed when they enter the GOP convention within a few weeks.

Both Rep. Harrison Chadwick and Rep. Francis W. Perry seek the nomination for lieutenant governor; both are broadly known for their attempts to rid the state of corruption in various forms.

Political comment seems to be that Chadwick, because he lives on the same street as does Gov. Volpe, will be unacceptable for this reason alone. Perry, it is intimated, also is in left field because his home is in Duxbury, not one of the most heavily populated sections of the state.

What a shame it will be if these two men — whose public outcry against corruption and immorality in government has awakened the voters of the state to the shameful conditions in our government — are left off the state ticket.

While recognizing that political expediency dictates geographical balance in a political ticket, we feel certain that these men are deserving of further responsibility in the management of our affairs. They've proved that, by speaking out when so many feared to be heard.

Wonderful Record

Parents of the town are to be specially congratulated on their insistence that their young children be immunized against polio.

The record established at the clinic, and in the early grades, last week is one we can boast about anywhere. Well over 90 percent of the town's youngsters who were eligible have received the vaccine — a percentage not even remotely challenged in many communities.

There will be another clinic late this month or early in June — that one is just as important as the first session of last week.

Parents should, of course, have their children take this second dosage, as it provides immunity against Type III polio.

Congratulations on the fine record — it's one we can all be proud to acknowledge.

Don't Drown Bird Orphans Is Audubon Soc. Advice

In a quandry as to what to do when your child comes home with an "orphan" bird? Each spring the Massachusetts Audubon Society receives literally hundreds of calls from perplexed parents asking how to care for baby birds.

The Society cautions that in most cases they are not orphans at all. The young bird has not been "deserted". Usually its parents are nearby, either waiting for the intruders to leave before resuming the feeding of their young, or caring for others in the brood.

When young birds are found every effort should be made to return them to their nests. If the nest cannot be located, they should be placed in a tree or shrub as near as possible to where they were found, and out of the reach of cats and dogs. It is untrue that young birds will be deserted by their parents if they have been handled by people.

When birds have been injured, they can sometimes be nursed back to health so they can return to the wild, but the Audubon Society makes it clear that it is not easy for people to substitute for parent birds. In addition, it must be remembered that state and federal laws concerning the possession of wild birds should be consulted and suitable arrangements made to meet these laws.

Food, warmth, and sleep are the basic needs of any young creatures. In the case of young birds, the greatest problem is food. Nestlings must have their first feeding of the day no later than 6 a.m., and feeding must continue until 7 p.m. every half hour. They awake at dawn and start screaming for food. Natural food, such as insects and worms is best, but canned dog or cat food moistened, or chopped hard-boiled egg yolk, pablum and milk, or finely chopped lean beef and liver are acceptable.

Remember that a baby bird does not need water. It can obtain all the moisture it requires from its food. Frequently a well-meaning foster parent has drowned a young bird by forcing it to drink water.

Young birds should not be over-handled. "TLC" is not a rule of thumb as for as caring for baby birds is concerned. They should be kept where there will be room for them to exercise their wings, preferably on a screened porch, or if necessary, in a large screened box.

A free circular on the "Care of Wild Birds" may be obtained by sending a stamped, self-addressed envelope to Massachusetts Audubon Society, South Great rd., South Lincoln.

Littlest Listeners

With the last day party of the Cardinal group, May 16, the meetings of pre-school Littlest Listener groups come to a close for the summer. The "party" is always a happy event to which all mothers are invited. The children have a story and game to show mothers how well they have learned to listen and to take part in a simple group activity, and at the closing of the period light refreshments are served.

Any child who has attended this group during the year is cordially invited to be present.

The Ballardvale group has closed for the summer, as well as the Robins group.

There will be an opportunity for mothers to register their three, four and five year olds later this summer if they wish to enter the autumn groups. Large groups are not successful, it has been proven, and each is limited in size so that early registration is suggested. Full details will be announced later.

For Star Gazers

The Memorial Hall Library will be happy to loan to any local stargazers a ten minute film "Exploring The Night Sky." Here is the story of constellations and how they got their names, the setting and rising of the stars and how they helped in making the calendar. Although prepared for elementary and junior high ages, there is no reason that the film could not be used with adults who are beginning to be interested in astronomy. The library loans films without charge, and for those who need a projector, will supply a machine and an operator, for whom a small fee is charged. Reservations should be made early on all films.

**Spoke French
During Trip**

Six Pike School students have returned from an enjoyable trip to Quebec City.

Speaking French throughout the trip, the girls were accompanied by Mrs. Allan Gillingham, their teacher. The girls qualified for the trip through consistent excellence in their work, or from effort and progress worthy of recognition. A seventh student, Gordon Freeman, qualified for the trip but did not join the all-girl party.

In Quebec City, the girls received a warm welcome at the Hotel-Motel des Lawrentides, where Mr. Levesque, the manager, has become interested in the school's language program through the annual trip.

So thoroughly did the group stay with the policy of speaking French that the American consul general addressed them in that language.

Large Turnout Of Men At Associated Clubs Breakfast

The final meeting for the 1961-1962 season of the Associated Men's Clubs of the Andover Council of Churches was held at the Christian Church, Sunday, May 6. Communion was served at 8 a.m. by Rev. Allyn Bradford and the Free Church Deacons. Breakfast followed at 8:30. Speaker at the breakfast was Rev. Graham Baldwin of Phillips Academy. His subject "Sin" fascinated the audience as he told the story of "The Prodigal Son" emphasizing the father rather than the son.

A large turnout of men from Free Christian Church, West Parish Church, Baptist Church, South Church, Ballard Vale United Church, Christ Church and Cochran Chapel filled the lower parish hall at the Free Christian Church. It was the largest turnout for a Communion breakfast in the memory of those present.

It is the aim of the Andover Council of Churches to obtain the utmost in fellowship among the men in the churches of Andover. The success of the Communion Breakfast is indicative of this desired trend and it is hoped that 1963 will show a continuing development of this trend.

Little Stories
about Great Hymns
Love Divine, All Love Excelling
Love divine, all love excelling Joy of heaven, to earth come down;
Fix in us thy humble dwelling, All thy faithful mercies crown;
Jesus, thou art all compassion, Pure, unbounded love thou art;
Visit us with thy salvation, Enter every trembling heart.

Of 6500 hymns by Charles Wesley, this is one of his best. While crossing to America with his brother, John, he was deeply impressed by a group of Moravians who sang hymns during a raging storm. Thus began his conversion to a life of fifty years of service to the Church. His deep love of God was the inspiration for this exalting hymn.

**EIGHT NEW
TEACHERS NAMED**
(Continued from Page One)

George David Walsh, 28 Essex

\$4700.
Jane Duffy Collins, 75 Salem
st., Andover, elementary teacher,
\$4700

Rita G. Dubrule, Cross st., An-
dover, elementary teacher, \$5700.
Supt. Erickson informed the
board that he has been interviewing
applicants for teaching positions
for the past several weeks and has
more interviews scheduled. He
said that he would present addi-
tional names for consideration at
the next school board meeting on
Wednesday, May 16.

Resignations
The teachers whose resignations
were accepted together with the
dates when they joined the Andover

school system were:
Mary Jane Lane, Junior High
English teacher, 1961.
Joan Dodd, Junior High French
teacher, 1960.
Howard B. Tozier, elementary
physical education and coaching,
1961.
Daniel A. Newberry, High School
French teacher, 1961.
Alice Frail Lawson, elementary
French teacher, 1961.
Vivian B. Nossiter, remedial
reading, 1960.

Carol R. Connerty, Grade I, West
school, 1961.
Marilyn W. Cronin, kindergarten
South school, 1960.
Sally Young Jordan, Grade IV,
South school, 1958.

School principals were in attend-
ance at Tuesday's meeting together
with Lauristan Ward, curriculum
coordinator, for a discussion of the
length of the school day.

Mr. Ward gave a summation of
the preliminary conferences he has
held with the principals and out-
lined some of the objectives they
considered. In general, the present
thinking is for the use of Wednesday
afternoons and possibly an addi-
tional 15 minutes at the beginning
of the school day as additional
teaching time.

All of the members of the com-
mittee expressed their approval
of the progressive manner in which
the problem is being studied and
said that they would look forward
to additional reports at future
meetings.

Principals in attendance were:
Miss Ann Harnedy of the Shaw-
sheen School, Miss Isabelle Dobie,
West School, Miss Catherine Bar-
rett, Central School, Lionel Goulet,
South School and Lindsay J. March
of Andover High School. William
E. Hart Jr., of the Junior High
School was absent because of his
obligation as a reserve service-
man.

Study Subjects

Principal March of the high
school presented the committee
with copies of the subject offerings
and guide for the 1962-63 school
year. He discussed the study sche-
dules and distributed a paper show-
ing a number of subject
combinations available to high
school sophomores. He was joined
in the discussion of the study
subjects and the course programs
by Mr. Ward. This agenda matter
was of an advisory nature and the
committee members expressed
their thanks to Principal March
for his presentation.

In reply to a communication from
Rev. S. Scott Bartchy of the An-

dover Council of Churches,
suggesting an expansion of the
time allotted in the schools for the
Weekday School of Christian Edu-
cation, the members voted
unanimously against an extension
of the period due to the lack of
educational time available to
school children. The superinten-
dent was directed to communicate
with Rev. Mr. Bartchy and advise
him of the reasoning behind the
board's decision.

The committee approved the date
of June 1 for the annual Junior-
Senior Prom which is to be held
in Memorial Auditorium. A com-
munication is being sent to all
parents setting forth the regula-
tions governing the annual social
event and asking their cooperation
in the planning of post-prom activi-
ties which will follow the pattern
set in previous years.

New School District

Supt. Erickson presented the
following proposed boundaries for
the Lovejoy road school district:
From the Tewksbury line west
of the Shawsheen River, and all
children West of the B. & M. Prop-
erty to Reservation Road (to in-
clude all developments) by Cutler
Road, to Lowell Street; Lowell
Street to Greenwood Road, Green-
wood Road to High Plain Road, to
Cross Street and to River Road.

He noted to the committee that
the redistricting for the new school
presented a two fold problem:

1. Assignment of children to the
new school to relieve the situation
at the present West School.

2. Utilize the added space in the
new school to relieve overcrowding
or to transfer pupils from existing
buildings to allow for growth ex-
pected in those schools. (South -
Central - Shawsheen).

According to the superintendent's
proposed redistricting program,
the new school on Lovejoy rd.
would have an enrollment of 371
pupils. Of these, 269 would come
from the West School district and
102 from the South School district.

This would leave the other schools
with the following enrollments:
West, 373; South, 512; Shawsheen,
386; Central and Stowe, 675.

During the discussion on the new
school district, it was brought out
that Andover is going to need
additional new schools in the not
too distant future to accommodate
the increasing number of children.

The committee voted to purchase
a new RCA Mobile Language
Laboratory with ten student
stations for the Junior High school
at a cost of \$995, and a Dicta-
laboratory Teacher Console with two
student stations for the High school
at a cost of \$1735.28 from the
Dictaphone Corporation.

Chairman Robert B. McIntyre
presided at Tuesday evening's
meeting at which all of the other
board members, John S. Sullivan,
William A. Doherty, Vincent P.
Davey, and Dr. Milton J. Meyers,
were present. The meeting ended
at 11:36 p.m.
